

## IMPORTANT INFORMATION - PLEASE READ CAREFULLY

The information you give on this form is confidential. We need the information to send your U.S. Social Security payments electronically to your Netherlands guilder bank account in Netherlands.

### WHEN YOU WILL RECEIVE YOUR DIRECT DEPOSIT PAYMENTS

Your payment will be sent through the banking system in Netherlands and will usually be in your bank account 2 days after the U.S. payment date. You can avoid waiting up to 15 working days for your check to clear. With direct deposit you will have immediate access to your money.

### INFORMATION ABOUT CURRENCY CONVERSION

With direct deposit, you will not need to pay up to \$13 to cash your check and get your U.S. dollars converted to euros. A few days before the payment date, your U.S. Social Security payment is automatically converted at an interbank exchange rate, which is generally better than the rate offered by banks in Netherlands on that day.

### SPECIAL NOTICE TO JOINT ACCOUNT HOLDERS

If you have a joint account with a person who receives Social Security payments, and that person dies, you must immediately contact your bank **and** the U.S. Social Security Administration. Any Social Security payments deposited into a joint account after the death of a beneficiary must be returned to Social Security. As soon as we are advised of the death, if you are eligible to receive Social Security, we will determine whether your benefit amount will change and will send you any money that we owe you.

### IF YOUR ADDRESS CHANGES

If your address changes, you must inform the U.S. Social Security Administration at the address below. If the Social Security Administration has to contact you and cannot locate you, your payments may be stopped.
